AWARD CRITERIA FOR MARINE CORPS AWARDS

MEDAL OF HONOR - MH

a. Authorization. 10 U.S.C. 6241.

b. Eligibility Requirements

(1) Awarded by the President in the name of Congress to members of the naval service who conspicuously distinguish themselves by gallantry and intrepidity at the risk of their lives above and beyond the call of duty.

(a) while engaged in an action against an enemy of the United States;

(b) while engaged in military operations involving conflict with an opposing foreign force; or

(c) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) There must be no margin of doubt or possibility of error in awarding this honor. To justify the decoration, the individual's service must clearly be rendered conspicuous above his or her comrades by an act so outstanding that it clearly distinguishes his or her gallantry beyond the call of duty from lesser forms of bravery; and it must be the type of deed which if not done would not subject the individual to any justified criticism. The deed must be without detriment to the mission of the command or to the command to which attached.

c. Special Benefits for Medal of Honor Recipients

(1) Title 38 U.S. Code, Section 560 establishes a roll designated as the "Army, Navy, Air Force and Coast Guard Medal of Honor Roll" listing the name of each surviving person who has served on active duty in the Armed Forces of the United States and has been awarded a Medal of Honor.

(2) Title 38 U.S. Code, Section 561 provides that each person whose name is entered on the Medal of Honor Roll shall be furnished a certificate of service.

(3) Title 38 U.S. Code, Section 562 requires the Administrator of Veterans Affairs to pay to each person whose name has been entered on the Medal of Honor Roll, a special pension of \$400 per month.

(4) Title 10 U.S. Code, Sections 4342, 6954, 9342 authorizes the appointment of children of persons who have been awarded the Medal of Honor as cadets at the U.S. Military and U.S. Air Force Academies, and midshipmen at the U.S. Naval Academy without regard to quota requirements.

(5) Medal of Honor recipients are authorized to travel in U.S. military aircraft on a space-available basis, within the Continental United States, provided they certify that the trip is not for personal gain or remuneration.

- Must be fully justified.
- Eyewitness statement (at least two if practicable).

*"For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty***"*

NAVY CROSS – NX

a. Authorization. 10 U.S.C. 6242.

b. Eligibility Requirements

(1) Awarded to a person who, while serving in any capacity with the Navy or Marine Corps, distinguishes himself/herself by extraordinary heroism not justifying the award of the Medal of Honor.

(a) while engaged in an action against an enemy of the United States;

(b) while engaged in military operations involving conflict with an opposing foreign force; or

(c) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) To warrant this distinctive decoration, the act or the execution of duty must be performed in the presence of great danger or at great personal risk and must be performed in such a manner as to set the individual apart from his or her shipmates or fellow Marines. An accumulation of minor acts of heroism does not justify the award. The high standards demanded must be borne in mind when recommending the award.

OPENING SENTENCE:

DEFENSE DISTINGUISHED SERVICE MEDAL - DD

C3.4.1.1. Authorized by E.O. 11545 (reference (i)).

C3.4.1.2. The DDSM shall only be awarded to officers of the Armed Forces of the United States whose exceptional performance of duty and contributions to national security or defense have been at the highest levels. Such officers have direct and ultimate responsibility for a major activity or program that significantly influences the policies of the U.S. Government. Only under the most unusual circumstances will the DDSM be awarded as an impact award for outstanding TDY achievement. The DDSM is specifically intended to recognize exceptionally distinguished service and to honor an individual's accomplishments over a sustained period.

C3.4.1.2.1. Normally, such broad responsibilities shall be held by only the most senior officers whose duties bring them into direct and frequent contact with the Secretary of Defense and the other senior officials within the Government. Examples of such positions are the Chairman of the Joint Chiefs of Staff; the Chiefs and the Vice Chiefs of the Military Services, including the Commandant and the Assistant Commandant of the Marine Corps; and the CINCs and the Deputy CINCs of the Unified Combatant Commands.

C3.4.1.2.2. The DDSM also may be awarded to other senior officers who serve in positions of great responsibility, or to an officer whose direct and individual contributions to national security or defense are recognized as being so exceptional in scope and value as to be equivalent to contributions normally associated with positions encompassing broader responsibilities.

C3.4.1.3. The DDSM, as the highest Defense decoration, may only be awarded by the Secretary of Defense. Under no circumstances may the awarding authority be delegated.

C3.4.1.4. The DDSM shall be placed in precedence after the MOH and the Distinguished Service Crosses of the Armed Forces, but before the Distinguished Service Medals of the Armed Forces.

C3.4.1.5. All recommendations for award of the DDSM to members of the Chairman of the Joint Chiefs of Staff, or the Unified Combatant Command Headquarters or activities reporting to or through the Chairman of the Joint Chiefs of Staff, shall be processed through the Chairman of the Joint Chiefs of Staff, for recommendation. These recommendations shall not be boarded at the Joint Staff level. The Director, Joint Staff, for the Chairman of the Joint Chiefs of Staff, shall forward his recommendations to the Chief, Military Personnel Division, Personnel and Security Directorate, WHS, for boarding and processing. Recommendations should be submitted to arrive at the Joint Staff no later than 90 days before the desired presentation date.

C3.4.1.6. All other recommendations for award of the DDSM shall be submitted to the Chief, Military Personnel Division, Personnel and Security Directorate, Washington Headquarters Services (WHS), for boarding and processing. Recommendations should be submitted to the WHS no later than 90 days before the desired presentation date.

DISTINGUISHED SERVICE MEDAL – DM

a. Authorization. 10 U.S.C. 6243

b. Eligibility requirements

1. Awarded to any person who, while serving in any capacity with the Navy or Marine Corps, distinguishes himself by exceptionally meritorious service to the United States in a duty of great responsibility. To justify this decoration, an exceptional performance of duty, clearly above that normally expected, which has contributed materially to the success of a major command or project, is required. In general, The Distinguished Service Medal will be awarded only to those officers in principle commands at sea or in the field whose service is such as to justify the award. However, this shall not be interpreted to preclude the award of the Distinguished Service Medal to any individual whose service meets the requirements. If there is any doubt as to the degree of service involved, the Legion of Merit is the more appropriate award.

OPENING SENTENCE:

*"For exceptionally meritorious service to the government of the United States in a duty of great responsibility****"*

SILVER STAR – SS

a. Authorization. 10 U.S.C. 6244

b. Eligibility Requirements

(1) Awarded to a person who, while serving in any capacity with the Navy or Marine Corps, is cited for gallantry in action that does not warrant the Medal of Honor or Navy Cross

(a) while engaged in an action against an enemy of the United States;

(b) while engaged in military operations involving conflict with an opposing foreign force; or

(c) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) The heroic act(s) performed must render the individual conspicuous and well above the standard expected. An accumulation of minor acts of heroism normally does not justify the award, but unusual or exceptional cases will be decided on their merits.

OPENING SENTENCE:

*"For Conspicuous gallantry and intrepidity in action ****"*

DEFENSE SUPERIOR SERVICE MEDAL – DS

C3.4.2.1. Authorized by E.O.11904 (reference (j)).

C3.4.2.2. The DSSM shall be awarded only to members of the Armed Forces of the United States who, after February 6, 1976, rendered superior meritorious service in a position of significant responsibility. Only under the most unusual circumstances will DSSM be awarded as an impact award for outstanding TDY achievement. The DSSM is specifically intended to

recognize exceptionally superior service, and to honor an individual's accomplishments over a sustained period.

C3.4.2.3. The DSSM shall be awarded only by the Secretary of Defense.

C3.4.2.3.1. The Director, Joint Staff, for the Chairman of the Joint Chiefs of Staff has been delegated approval or disapproval authority for Service members assigned to the Joint Staff, and those Service members assigned to Joint organizations. That authority may not be delegated further.

C3.4.2.3.2. Approval or disapproval authority for all other qualifying Service members is delegated to the DA&M, OSD, for the ASD(FMP). That authority may not be further delegated.

C3.4.2.4. The DSSM shall be placed in precedence after the MOH, the Distinguished Service Crosses of the Services, the DDSM, the Distinguished Service Medals of the Services, and the Silver Star, but before the Legion of Merit.

C3.4.2.5. Recommendations approved by the Chairman of the Joint Chiefs of Staff shall be processed entirely by the Joint Staff. All other recommendations shall be forwarded to the Chief, Military Personnel Division, Personnel and Security Directorate, WHS, for processing. Recommendations should be submitted no later than 90 days before the desired presentation date.

LEGION OF MERIT – LM (WITH “V” – LV)

a. Authorization. 10 U.S.C. 1121.

b. Eligibility Requirements. Awarded to a member of the Armed Forces of the United States or of a friendly foreign nation who distinguishes himself/herself by exceptionally meritorious conduct in performing outstanding service.

(1) For U.S. Military Personnel. To justify this decoration, the service rendered must have been comparable to that required for the Distinguished Service Medal but in a duty of lesser though considerable responsibility. In general, the Legion of Merit will be awarded to officers in lesser commands at sea or principal commands on shore who have performed such exceptionally meritorious service as to justify the award of the Distinguished Service Medal except as to degree of merit. However, this should not be interpreted to preclude the award of the Legion of Merit to any individual, regardless of grade or rate, whose acts or services meet the requirements. When the degree of achievement or service rendered, although meritorious, is not sufficient to warrant the award of the Legion of Merit, the Bronze Star Medal or the Meritorious Service Medal should be considered.

(2) For Foreign Military Personnel. See chapter 6 – SECNAVINST 1650.1

c. Combat Distinguishing Device. During the Vietnam era the Combat Distinguishing Device was authorized for service subsequent to 17 July 1967. It was discontinued in April 1974; but reauthorized effective 17 January 1991.

C8.2.2.1. The Legion of Merit, in the following degrees, is awarded to individuals who distinguish themselves by "exceptional meritorious conduct in performance of outstanding service" to the United States according to Executive Order 9260, "Legion of Merit," reference (qq):

C8.2.2.1.1. Degree of Chief Commander. Awarded by the President of the United States, upon the recommendation of the Secretary of Defense, after concurrence by the Secretary of State, to the foreign chiefs of state or the heads of government.

C8.2.2.1.2. Degree of Commander. Awarded by the Secretary of Defense, after the concurrence of the Secretary of State, to individuals holding a rank equivalent to a U.S. Military Service Chief of Staff, or higher position, but not to chiefs of state.

C8.2.2.1.3. Degree of Officer. Awarded by the Secretary of Defense, after the concurrence of the Secretary of State, to individuals of the following rank or position:

C8.2.2.1.3.1. Officers of general or flag rank serving in positions below the equivalent of a U.S. Military Service Chief of Staff.

C8.2.2.1.3.2. Officers in ranks parallel with colonel or equivalent, for service in positions comparable to those normally held by general or flag officers in the Armed Forces of the United States.

C8.2.2.1.3.3. Foreign military attaches.

C8.2.2.1.4. Degree of Legionnaire. Awarded by the Secretary of Defense, after the concurrence of the Secretary of State, to all others eligible under Executive Order 9260 (reference (qq)).

C8.2.2.2. Certificates and citations to accompany recommendations for the Legion of Merit shall be prepared, as follows:

C8.2.2.2.1. Degree of Chief Commander

C8.2.2.2.1.1. The certificate shall be prepared for signature of the President at the lower right and signature of the Secretary of Defense at the lower left.

C8.2.2.2.1.2. The citation shall be prepared for signature of the Secretary of Defense and for affixing of the DoD seal.

C8.2.2.2.2. Degrees of Commander, Officer, and Legionnaire C8.2.2.2.2.1. The certificate shall be prepared for signature of the Secretary of Defense at the lower right and the Head of the DoD Component or the Unified Commander initiating the recommendation at the lower left.

C8.2.2.2.2.2. The citation shall be prepared for signature of the Secretary of Defense and for affixing the DoD seal.

DISTINGUISHED FLYING CROSS – DX (WITH "V" – DV)

a. Authorization. 10 U.S.C. 6245.

b. Eligibility Requirements. Awarded to any person who, while serving in any capacity with the U.S. Navy or the U.S. Marine Corps, distinguishes himself/herself by heroism or extraordinary achievement while participating in an aerial flight. To justify this decoration for heroism, an act in the face of danger, well above those actions performed by others engaged in similar flight operations, is required; for achievement, the results accomplished must be so exceptional as to render them conspicuous among those accomplished by others involved in similar circumstances.

(1) In adjudging the appropriate awards for the various members of a flight crew, it is considered that the pilot responsible for flying the aircraft is sometimes eligible for a higher award than other members of the flight crew. However, in a two-seat aircraft where the pilot and crewmember constitute a team and function as an integral part of the weapons system, both would generally be eligible for the same award. A crewmember other than the pilot should not be precluded from receiving a higher award if circumstances so indicate. Each case will be considered on its own merits.

(2) Establishment of a new aerial record does not necessarily qualify as an extraordinary achievement in aerial flight.

c. Combat Distinguishing Device. The Combat Distinguishing Device may be authorized for valor (heroism) after 4 April 1974.

NAVY AND MARINE CORPS MEDAL – NM

a. Authorization. 10 U.S.C. 6246.

b. Eligibility Requirements. Awarded to any person who, while serving in any capacity with the U.S. Navy or the U.S. Marine Corps, distinguishes himself/herself by heroism not involving actual conflict with the enemy. For acts of lifesaving, or attempted lifesaving, it is required that the action be performed at the risk of one's own life.

Note: Although the Navy and Marine Corps Medal is often awarded for heroism involving lifesaving, it is not a lifesaving medal. As the senior peacetime award for heroism, this award hinges on the actual level of personal "life threatening" risk experienced by the awardee. For heroic performance to rise to this level it must be clearly established that the act involved very specific life-threatening risk to the awardee. When there is none, or at best very limited life-threatening risk to the awardee, the award of the Navy and Marine Corps Commendation Medal may be more appropriate.

FOR LIFE SAVING/ATTEMPTED LIFE SAVING AWARDS

- If practicable, include statements of at least two eyewitnesses. Such statements should furnish accounts of the incident, including opinions as to whether the person for whom the award is sought imperiled his/her life. Police reports and newspaper accounts can also be submitted.
- The precise locality of the rescue or attempted rescue, or heroic action.
- The date, time of day, nature of weather, including force of the wind, condition and temperature of the water if applicable, and amount and source of light if at night.
- The names of all persons rendering assistance and the nature of the assistance.
- A freehand sketch of the scene, including distances, location of assistance, and heights of piers or vessels from which rescue efforts were started, as applicable.
- A statement as to the swimming qualifications of the rescuer if applicable. (See art. 6610120, MILPERS Manual for Navy personnel; and NAVMC 2779 for Marine Corps personnel.)
- An account of the cooperation or lack thereof on the part of the person being rescued.
- A rescue from burning should be described in great detail, including the aid received by the rescuer, the extent of the burns, and a description of the outer clothing of the rescuer.
- It is emphasized that recommendations should include the above, but should not necessarily be limited to that information.

IN ALL CASES AN UNCLASSIFIED PROPOSED CITATION WILL BE SUBMITTED

BRONZE STAR MEDAL – BS (WITH "V" – BV)

a. Authorization. Executive Order (E.O.) 9419 of 4 February 1944 as modified by E.O. 11046 of 24 August 1962 and the Defense Authorization Act of 2001, Section 1133.

b. Eligibility Requirements

(1) Awarded to any person who, while serving in any capacity with the Armed Forces of the United States, distinguishes himself/herself on or after 7 December 1941 by heroic or meritorious achievement or service, not involving participation in aerial flight.

(a) while engaged in an action against an enemy of the United States;

(b) while engaged in military operations involving conflict with an opposing foreign force; or

(c) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) To justify this decoration, accomplishment or performance of duty above that normally expected, and sufficient to distinguish the individual among those performing comparable duties is required, although less than the requirements for the Silver Star or Legion of Merit. Minor acts of heroism in combat or single acts of merit or meritorious service in connection with military or naval operations may justify this award.

(3) The recipient must be in receipt of Imminent Danger Pay during the qualifying period.

c. Combat Distinguishing Device. The Combat Distinguishing Device may be authorized for valor (heroism).

PURPLE HEART MEDAL – PH

a. Authorization. Executive Order 9277 of 3 December 1942, E.O. 10409 of 12 November 1952, E.O. 11016 of 25 April 1962 as amended by E.O. 12464 of 23 February 1984, Public Law 98-525 of 19 October 1984, and Public Law 105-85 of 18 November 1997.

b. Eligibility Requirements. Awarded to members of the Armed Forces of the United States who, while serving under competent authority in any capacity with an Armed Force of the United States after 5 April 1917, has been killed or wounded.

(1) In action against an enemy of the United States.

(2) In action with an opposing armed force of a foreign country in which the Armed Forces of the United States are or have been engaged.

(3) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(4) As the result of an act of any such enemy or opposing armed force.

(5) As the result of an act of any hostile foreign force.

(6) As the result of friendly weapon fire while actively engaging the enemy.

(7) As the indirect result of enemy action. (example: injuries resulting from parachuting from a plane brought down by enemy or hostile fire.)

(8) As the result of maltreatment inflicted by their captors while a prisoner of war.

(9) After 28 March 1973, as a result of international terrorist attack against the U.S. or a foreign nation friendly to the U.S.

(10) After 28 March 1973, as a result of military operations while serving outside the territory of the United States as part of a peacekeeping force.

c. Definition. A "wound" is defined as an injury to any part of the body from an outside force or agent, sustained while in action as described in the eligibility requirements. A physical lesion is not required, provided the concussion or other form of injury received was a result of the action in which engaged.

d. Limitations. Except in the case of a prisoner of war, the wound for which the award is made must have required treatment by a medical officer at the time of injury. Only one award is authorized for more than one wound or injury received at the same instant from the same missile, force, explosion, or agent. Prisoners of war, if entitled, will be limited to a single Purple Heart covering the entire period of their captivity.

e. Determination of Eligibility. During World War I, and World War II, and Korea, an individual must have been wounded as a direct result of enemy action. During subsequent conflicts (Vietnam and Operation DESERT STORM), the individual must have been wounded as a result of enemy action (direct or indirect).

(1) Veterans may apply to the National Personnel Records Center, Navy (N314), Room 3475, 9700 Page Avenue, St. Louis, MO 63132-5100 for a determination of eligibility. If adequate documentation is not available in the individual's service and/or health records, the individual may submit sworn affidavits from two eyewitnesses who have personal knowledge of the injury and the circumstances surrounding the incident in which the injury occurred.

(2) For active duty personnel wounded during the above wars or conflict, requests should be addressed to the CHNAVPERS (PERS-312) or CMC (MMMA).

(3) Subsequent awards are denoted by gold and silver stars.

DEFENSE MERITORIOUS SERVICE MEDAL – MR.

C3.4.3.1. Authorized by E.O. 12019 (reference (k)).

C3.4.3.2. The DMSM shall only be awarded to members of the Armed Forces of the United States who, after November 3, 1977, distinguished themselves by noncombat meritorious achievement or service. Only under the most unusual circumstances will the DMSM be awarded as an impact award for outstanding TDY achievement. The DMSM is specifically intended to recognize exceptionally meritorious service performance and to honor an individual's accomplishments over a sustained period.

C3.4.3.3. The DMSM shall be awarded in the name of the Secretary of Defense.

C3.4.3.3.1. Authority to award the DMSM is hereby delegated to the following:

C3.4.3.3.1.1. The DA&M for Service members assigned to the OSD; the DoD Field Activities; the joint DoD activities that report directly to an OSD Principal Staff Assistant or for which the Secretary of a Military Department has been designated as an "Executive Agent"; the multilateral and bilateral organizations; and the other offices in the Executive Branch, the Executive Agencies and Departments, or the independent establishments and Government corporations. (See "United States Government Manual 1987/88," (reference (1)).)

They also may approve that award for the commander, his or her staff, and other Service members attached to a JTF as individuals (not as members of an assigned and/or attached unit).

C3.4.3.3.1.4. The Supreme Allied Commander, Europe; the Supreme Allied Commander, Atlantic; the U.S. Representative to the Military Committee, NATO; the Defense Advisor, U.S. Mission NATO; and the CINC, North American Aerospace Defense Command (NORAD), for Service members assigned in their respective headquarters or associated Agencies.

C3.4.3.3.1.8. The Commandant, Armed Forces Staff College, for Service members assigned to that College.

C3.4.3.3.2. That authority may be delegated further at the discretion of the awarding authority to general or flag officers of the Armed Forces of the United States in the grade of O-7 or civilian equivalents when they occupy established command or staff positions. Such authority must be delegated in writing and documentation maintained indefinitely by the organization receiving the authority.

C3.4.3.4. The DMSM shall take precedence after the DSSM, the Legion of Merit, and the Bronze Star Medal, but before the Military Services' Meritorious Service Medal.

C3.4.3.5. Recommendations for the DMSM shall be submitted to the appropriate approval authority for processing. MERITORIOUS SERVICE MEDAL – MM

a. Authorization. Executive Order 11448 of 16 January 1969 as amended by E.O. 12312 of 2 July 1981.

b. Eligibility Requirements. Awarded to members of the Armed Forces of the United States or members of the armed forces of a friendly foreign nation who distinguished themselves by outstanding meritorious achievement or service to the United States. To justify this decoration, the acts or services rendered by an individual, regardless of grade or rate, must have been comparable to that required for the Legion of Merit but in a duty of lesser responsibility. The Meritorious Service Medal is the counterpart of the Bronze Star Medal for the recognition of meritorious non-combat service. When the degree of meritorious achievement or service rendered is not sufficient to warrant the award of the Meritorious Service Medal, the Navy Commendation Medal, when appropriate, should be considered.

AIR MEDAL – AF (STRIKE/FLIGHT – AS) (WITH “V” – AH)

a. Authorization. Executive Order 9158 of 11 May 1942, as amended by E.O. 9242-A of 11 September 1942.

b. Eligibility Requirements. In adjudging the appropriate awards for the various members of a flight crew, the pilot responsible for flying the aircraft is sometimes eligible for a higher award than other members of the flight crew. However, in a two-seat aircraft where the pilot and crewmember constitute a team and function as an integral part of the weapons system, both would generally be eligible for the same award. A crewmember other than the pilot should not be precluded from receiving a higher award if circumstances so indicate. Each case will be considered on its own merits. The Air Medal may be awarded in two categories:

(1) Individual Award. Awarded to persons who, while serving in any capacity with the Armed Forces of the United States, distinguishes himself/herself by heroic/meritorious achievement while participating in an aerial flight under flight orders. A 3/16 inch bronze star is worn to denote first individual award of the Air Medal. Gold stars are worn to denote second and subsequent individual awards of the Air Medal.

(2) Strike/Flight Award. Awarded to persons who, while serving in any capacity with the Armed Forces of the United States, distinguish themselves by meritorious achievement while participating in sustained aerial flight operations under flight orders. Bronze numerals are worn to denote total number of Strike/Flight Awards. Strike/Flight awards can only be approved within the parameters (area, time, etc.) established by the Secretary of the Navy; delegated authority of this award is specific in nature and always in writing.

(a) Definitions

1. Strike. Those sorties which deliver ordnance against the enemy, land or evacuate personnel in assault or engage in search and rescue (SAR) operations which encounter enemy opposition.

2. Flight. Those sorties which deliver ordnance against the enemy, land or evacuate personnel in assault or engage in Search and Rescue operations which encounter no enemy opposition.

3. Direct Combat Support Mission. Those missions which include reconnaissance, target combat air patrol, electronic countermeasures (ECM) support, psychological warfare, patrol operations in support of coastal surveillance, etc., which do not necessarily involve delivery of ordnance against the enemy, or landing or evacuating personnel in assault or engaging in Search and Rescue (SAR) operations. However, those direct combat support missions that encounter enemy opposition equivalent to that encountered by a strike should be considered as a strike sortie. Examples are photo reconnaissance, target combat air patrol (TARCAP) and ECM aircraft that are endangered by anti-aircraft artillery (AAA) and surface to air missiles (SAMs). Administrative and logistical flights between established airbases or secure areas and/or ships are not considered qualifying as direct combat support sorties.

(b) Modifications. Awarding authorities are authorized to deviate from the above criteria, when appropriate, with due regard to hazard and exposure incurred in sustained aerial flight operations.

(c) Requirements. The award of the Air Medal on a strike/flight basis shall require 20 points.

1. 10 strikes (1 strike = 2 points), or

2. 20 flights (1 flight = 1 point), or

3. 50 missions (1 mission = .4 points), or

4. 250 flight hours in direct combat support missions that do not encounter enemy opposition (25 hours = 2 points), or

5. A combination of these, using the appropriate ratios, i.e.: 3 strikes = 6 points

8 flights = 8 points *10 missions = 4 points 25 hours = 2 points 20 total points = 1 S/F AM

*NOTE: (Time flown on 'missions' are not counted as 'hours')

(d) Special Provisions

1. Only personnel under flight orders are eligible to receive the strike/flight award of the Air Medal.
2. The individual award of an Air Medal, or other personal decoration for a particular sortie, should not preclude that sortie from counting toward eligibility for a strike/flight award of the Air Medal.
3. Officers of the rank of captain/colonel or above shall not be eligible for the award of the Air Medal on a strike/flight basis unless the sorties involved were actually required in the performance of their regular duties. Recommendations involving officers in this category, regardless of the current extent of delegated award authority, shall be forwarded via the chain of command to SECNAV for approval.

c. Combat Distinguishing Device. The Combat Distinguishing Device may be authorized for single mission Air Medals for valor (heroism) after 4 April 1974.

NAVY AND MARINE CORPS COMMENDATION MEDAL – NC (WITH "V" – CV)

a. Authorization. ALNAV 11 of 11 January 1944 authorized the Navy Commendation Ribbon, and on 22 March 1950, the SECNAV established the medal pendant for this award. On 21 September 1960, the SECNAV changed the name of the award to the Navy Commendation Medal. On 19 August 1994, the SECNAV changed the name of the award to Navy and Marine Corps Commendation Medal.

b. Eligibility Requirements. Awarded to a person who, while serving in any capacity with the Navy or Marine Corps (including foreign military personnel), distinguishes himself/ herself after 6 December 1941 by heroic or meritorious achievement or service. To merit this award, the acts or services must be accomplished or performed in a manner above that normally expected and sufficient to distinguish the individual above those performing similar services as set forth in the following:

(1) For Acts of Heroism. Worthy of special recognition, but not to the degree required for the Bronze Star Medal when combat is involved or the Navy and Marine Corps Medal when combat is not involved.

(2) For Meritorious Achievement. Outstanding and worthy of special recognition, but not to the degree required for the Bronze Star Medal or Air Medal when combat is involved or the Meritorious Service Medal or Air Medal when combat is not involved. The achievement should be such as to constitute a definite contribution to the Naval Service, such as an invention, or improvement in design, procedure or organization.

(3) For Meritorious Service. Outstanding and worthy of special recognition, but not to the degree required for the Bronze Star Medal or Air Medal when combat is involved or the Meritorious Service Medal or Air Medal when combat is not involved. The award may cover an extended period of time during which a higher award may have been recommended or received for specific act(s). The criteria, however, should not be the period of service involved, but rather the circumstances and conditions under which the service was performed. The performance should be well above that usually expected of an individual commensurate with his or her grade or rate, and above that degree of excellence which can be appropriately reflected in the individual's fitness report, performance evaluations or personnel records.

c. Combat Distinguishing Device. The Combat Distinguishing Device may be authorized for valor (heroism).

recommendations shall be submitted after approval to the Chief, Military Personnel Division, Personnel and Security Directorate, WHS, for processing.

NAVY AND MARINE CORPS ACHIEVEMENT MEDAL – NA (WITH “V” – NV)

a. Authorization. SECNAVINST 1650.16 of 1 May 1961, re-designated by SECNAVNOTE of 17 July 1967. On 19 August 1994, the SECNAV changed the name of the award to Navy and Marine Corps Achievement Medal.

b. Eligibility Requirements. Awarded to members of the Armed Forces, including members of Reserve components on active or inactive duty, of the grade of lieutenant Commander/major and junior thereto, for service performed on or after 1 May 1961. The award shall be given for meritorious service or achievement in a combat or non-combat situation based on sustained performance or specific achievement of a superlative nature, and shall be of such merit as to warrant more tangible recognition than is possible by a fitness report or performance evaluation, but which does not warrant a Navy and Marine Corps Commendation Medal or higher.

(1) Professional achievement that merit the NA must:

(a) Clearly exceed that which is normally required or expected, considering the individual's grade or rate, training, and experience; and

(b) Be an important contribution of benefit to the United States and the Naval Service.

(2) Leadership Achievement that merit the NA must:

(a) Be noteworthy;

(b) Be sustained so as to demonstrate a high state of development or, if for a specific achievement, be of such merit as to earn singular recognition for the act(s); and

(c) Reflect most creditably on the efforts of the individual toward the accomplishment of the unit mission.

c. Limitations. The Navy and Marine Corps Achievement Medal will not be awarded for service involving participation in aerial flight after 1 January 1969. The Air Medal is the more appropriate recognition for meritorious achievement while participating in aerial flight. This does not preclude the award of the Navy and Marine Corps Achievement Medal to those who meet the eligibility requirement for service during which participation in aerial flight was incidental.

d. Combat Distinguishing Device. During the Vietnam era the Combat Distinguishing Device was authorized for service subsequent to 17 July 1967 and discontinued in April 1974; it was reauthorized on 17 January 1991.

COMBAT ACTION RIBBON - CR

a. Authorization. SECNAVNOTE 1650 of 17 February 1969.

b. Eligibility Requirements

(1) Awarded to members of the Navy, Marine Corps, and Coast Guard (when the Coast Guard or units thereof operate under the control of the Navy) in the grade of captain/colonel and junior thereto, who have actively participated in ground or surface combat. Upon submission of evidence to their commanding officer, personnel who earned the Combat Infantryman Badge or Combat Medical Badge while a member of the U.S. Army may be authorized to wear the CAR.

(2) The principal eligibility criterion is that the individual must have participated in a bona fide ground or surface combat fire-fight or action during which he/she was under enemy fire and his/her performance while under fire was satisfactory. Service in a combat area does not automatically entitle a service member to the CAR. The following amplifying remarks are furnished as guidance.

(a) Personnel in riverine and coastal operations, assaults, patrols, sweeps, ambushes, convoys, amphibious landings, and similar activities who have participated in fire fights are eligible.

(b) Personnel assigned to areas subjected to sustained mortar, missile, and artillery attacks actively participate in retaliatory or offensive actions are eligible.

(c) Personnel in clandestine or special operations such as reconnaissance, SEAL teams, EOD teams, and Mine Countermeasures operations are eligible when the risk of enemy fire was great and was expected to be encountered.

(d) Personnel aboard a ship are eligible when the safety of the ship and the crew were endangered by enemy attack, such as a ship hit by a mine or a ship engaged by shore, surface, air or sub-surface elements.

(e) Personnel eligible for the award of the Purple Heart would not necessarily qualify for the Combat Action Ribbon.

(f) Personnel serving in peacekeeping missions, if not eligible by the criteria cited above, are eligible to receive the award when all of the following criteria are met:

- the member was subject to hostile, direct fire,

- based on the mission and the tactical situation, not returning fire was the best course of action, and

- the member was in compliance with the rules of engagement and his orders by not returning fire.

(g) The CAR will not be awarded to personnel for aerial combat since the Strike/Flight Air Medal provides recognition for aerial combat exposure; however, a pilot or crewmember forced to escape or evade after being forced down could be eligible for the award.

(h) Under Public Law 106-55, the CAR may be awarded retroactively to 07Dec41.

c. Operations. An individual, whose eligibility has been established in combat in any of the following listed operations is authorized the award of the CAR. PRESIDENTIAL UNIT CITATION – PU

a. Authorization. E.O. 9050, 6 February 1942.

b. Eligibility Requirements. Awarded in the name of the President of the United States to units of the Armed Forces of the United States and co-belligerent nations for extraordinary heroism in action against an armed enemy. The unit must have displayed such gallantry, determination and esprit de corps in accomplishing its mission under extremely difficult and hazardous conditions to have set it apart from and above other units participating in the same campaign. The degree of heroism required is the same as that which would be required for award of a Navy Cross to an individual.

(1) All personnel permanently assigned or attached to the cited unit who were actually present and participated in the action(s) for which the unit was cited are authorized to wear the ribbon permanently. Eligibility may be established by evidence in service records, such as orders to officers or page five and/or 13 service record entries for enlisted members. In those cases where a determination cannot be made at the local level, requests for award eligibility will be submitted to the BUPERS (PERS-324) or CMC (MMMA).

(2) Transient, limited active duty for training (less than 30 days), special active duty (of limited duration), and temporary duty personnel assigned to the cited unit are normally not eligible. However, exceptions may be made for individuals because of an outstanding need for the skills possessed which were not adequately available within the unit. Such personnel will be authorized participation by CNO/CMC as appropriate upon receipt of a certification from the cited unit's commanding officer that the individual made a direct, recognizable contribution to the performance of the services which qualified the unit for the award.

(3) Reserve augmentees and IMAs assigned to a unit are eligible to receive unit awards and should be specifically considered by Commanding Officers for inclusion as appropriate with the contributory service provided.

b. Civilian personnel, when specifically authorized by SECNAV, may wear the appropriate lapel device, point up. The command is responsible for ordering the lapel devices to civilians who earned the award.

c. Naval reservists who receive unit awards as civilians, are not eligible to wear the ribbon bars on their naval uniforms.

d. Students are not eligible.

The Navy Unit Commendation (NUC) and Meritorious Unit Commendation (MUC) may be awarded to units of the Army, Air Force or Coast Guard with concurrence of the parent service.

JOINT MERITORIOUS UNIT AWARD – JU

C4.2.1. All joint units and activities (as defined in Chapter 1, paragraph C1.2.1.) are eligible for award of the JMUA in recognition of exceptionally meritorious conduct in the performance of outstanding service. However, a unit or activity's outstanding accomplishment of its normally assigned and expected mission is not in and of itself sufficient justification for award approval. Instead, qualifying achievements must be superior to that which is expected under one of the following conditions and should be operational in nature.

C4.2.1.1. During action in combat with an armed enemy of the United States.

C4.2.1.2. In a declared national emergency situation.

C4.2.1.3. Under extraordinary circumstances that involve national interests.

C4.2.2. The JMUA shall not be awarded to any DoD activity that has received any other unit award for the same achievement or period of service.

C4.2.3. Only those members of the Armed Forces of the United States who were present at the time and directly participated in the service or achievement for 30 days or more, or for the period cited if less than 30 days, shall be authorized to wear the JMUA ribbon. Members must be permanently assigned or attached by official orders to the joint unit receiving the JMUA. Local commanders may waive, on an individual basis, the 30-day minimum time requirement for individuals (e.g., Reserve personnel on active duty and TDY and/or TAD personnel), who, in the opinion of the commander contributed directly to the achievement cited, and were assigned on official orders to the awarded unit during the approved timeframes.

C4.2.4. A JTF headquarters may be awarded the JMUA. If a JTF headquarters is awarded the JMUA, every member permanently assigned or attached TDY or TAD to the JTF headquarters is eligible to wear the JMUA ribbon. Assigned and/or attached (including TDY and/or TAD) status is determined by official orders that specify the JTF headquarters as the duty unit.

C4.2.5. Service units or individuals deployed in support of a JTF, but not assigned and/or attached to the JTF by official orders, are not eligible for the JMUA, even if they are under the operational control of the JTF. The Services may award appropriate Service unit awards to their units assigned and/or attached to a JTF.

C4.3. PREPARATION OF RECOMMENDATIONS

C4.3.1. Recommendation for the JMUA must be in narrative form (see Figure C4.F1., below). Minimally, the recommendation must include the following:

C4.3.1.1. Name and location of unit, activity, or organization.

C4.3.1.2. Inclusive dates for the award.

C4.3.1.3. Citation.

C4.3.1.4. A narrative justification containing specific and factual data about what the activity accomplished, how it was done, what the benefits or results were, and why or how the achievement or service significantly exceeded normal unit duty performance. The narrative justification shall not exceed three single-spaced typewritten pages. Supporting documents, as appropriate, may be attached.

C4.3.1.5. A listing of qualifying Service members attached but not permanently assigned, detailing full name, rank and/or rate, social security number, branch of Service, and permanent unit at the time of the award period. That list must be sorted or grouped by branch of Service.

C4.3.2. Award recommendations shall be endorsed by commanders at all levels.

C4.4. SUBMISSION OF RECOMMENDATIONS

Recommendations for the JMUA shall be submitted through command channels, as follows:

C4.4.1. Recommendations for joint activities that report directly to an OSD Principal Staff Assistant or to the Secretary of a Military Department, for which he or she has been designated the "Executive Agent for the Secretary of Defense," shall be forwarded through

those channels and to the Chief, Military Personnel Division, WHS. DA&M will forward a copy of the approval letter to the Deputy Assistant Secretary of Defense (Military Manpower and Personnel Policy) (DASD(MPP)), Office of the ASD(FMP).

C4.4.2. Recommendations for joint activities that report directly to or through the Chairman of the Joint Chiefs of Staff shall be forwarded to the Director, Joint Staff.

C4.5. APPROVAL AUTHORITY

The JMUA is awarded in the name of the Secretary of Defense; however, authority to award is delegated to the following:

C4.5.1. The ASD(FMP), or designee, for activities that report directly to an OSD Principal Staff Assistant or for which the Secretary of a Military Department has been designated the "Executive Agent for the Secretary of Defense." ASD(FMP) delegated authority to Director, Administration and Management, to approve or disapprove JMUA and grant exceptions to policy for award recommendations under the Deputy Under Secretary of Defense for Personnel and Readiness Memorandum (reference (m)).

NAVY UNIT COMMENDATION – NU

a. Authorization. ALNAV 224 of 18 December 1944.

b. Eligibility Requirements. Awarded by SECNAV to any unit of the Navy or Marine Corps which has distinguished itself by outstanding heroism in action against the enemy, but not sufficient to justify the award of the Presidential Unit Citation; or to any such unit which has distinguished itself by extremely meritorious service not involving combat but in support of military operations, rendering the unit outstanding compared to other units performing similar service. This award may also be conferred upon units of the other branches of the Armed Forces of the United States, and of armed forces of friendly foreign nations serving with the Armed Forces of the United States, provided that such units shall meet the standards established for Navy and Marine Corps units. To justify this award, the unit must have performed service of a character comparable to that which would merit the award of a Silver Star Medal for heroism or a Legion of Merit for meritorious service to

an individual. Normal performance of duty or participation in a large number of combat missions does not in itself justify the award. An award will not be made to a unit for actions of one or more of its component parts, unless the unit performed uniformly as a team in a manner justifying collective recognition.

(1) All personnel permanently assigned or attached to the cited unit who were actually present and participated in the action(s) for which the unit was cited are authorized to wear the ribbon permanently. Eligibility may be established by evidence in service records, such as orders to officers or page five and/or 13 service record entries for enlisted members. In those cases where a determination cannot be made at the local level, requests for award eligibility will be submitted to the BUPERS (PERS-324) or CMC (MMMA).

(2) Transient, limited active duty for training (less than 30 days), special active duty (of limited duration), and temporary duty personnel assigned to the cited unit are normally not eligible. However, exceptions may be made for individuals because of an outstanding need for the skills possessed which were not adequately available within the unit. Such personnel will be authorized participation by CNO/CMC as appropriate upon receipt of a certification from the cited unit's commanding officer that the individual made a direct, recognizable contribution to the performance of the services which qualified the unit for the award.

(3) Reserve augmentees and IMAs assigned to a unit are eligible to receive unit awards and should be specifically considered by Commanding Officers for inclusion as appropriate with the contributory service provided.

b. Civilian personnel, when specifically authorized by SECNAV, may wear the appropriate lapel device, point up. The command is responsible for ordering the lapel devices to civilians who earned the award.

c. Naval reservists who receive unit awards as civilians, are not eligible to wear the ribbon bars on their naval uniforms.

d. Students are not eligible.

The Navy Unit Commendation (NUC) and Meritorious Unit Commendation (MUC) may be awarded to units of the Army, Air Force or Coast Guard with concurrence of the parent service.

MERITORIOUS UNIT COMMENDATION – MU

a. Authorization. SECNAV Notice 1650 of 17 July 1967.

b. Eligibility Requirements. Awarded by SECNAV, CNO or CMC to any unit of the Navy or Marine Corps which has distinguished itself, under combat or non-combat conditions, by either valorous or meritorious achievement which renders the unit outstanding compared to other units performing similar service, but not sufficient to justify the award of the Navy Unit Commendation. This award may also be conferred upon units of the other branches of the Armed Forces of the United States and of friendly foreign nations serving with the Armed Forces of the United States, provided that such units shall meet the standards established for Navy and Marine Corps units. To justify this award, the unit must have performed service of a character comparable to that which would merit the award of a Bronze Star Medal, or achievement of like caliber in a non-combat situation, to an individual. Normal performance of duty or participation in a large number of combat missions does not in itself justify the award. An award will not be made to a unit for actions of one or more of its component parts, unless the unit performed uniformly as a team in a manner fully justifying collective recognition.

(1) All personnel permanently assigned or attached to the cited unit who were actually present and participated in the action(s) for which the unit was cited are authorized to wear the ribbon permanently. Eligibility may be established by evidence in service records, such as orders to officers or page five and/or 13 service record entries for enlisted members. In those cases where a determination cannot be made at the local level, requests for award eligibility will be submitted to the BUPERS (PERS-324) or CMC (MMMA).

(2) Transient, limited active duty for training (less than 30 days), special active duty (of limited duration), and temporary duty personnel assigned to the cited unit are normally not eligible. However, exceptions may be made for individuals because of an outstanding need for the skills possessed which were not adequately available within the

unit. Such personnel will be authorized participation by CNO/CMC as appropriate upon receipt of a certification from the cited unit's commanding officer that the individual made a direct, recognizable contribution to the performance of the services which qualified the unit for the award.

(3) Reserve augmentees and IMAs assigned to a unit are eligible to receive unit awards and should be specifically considered by Commanding Officers for inclusion as appropriate with the contributory service provided.

b. Civilian personnel, when specifically authorized by SECNAV, may wear the appropriate lapel device, point up. The command is responsible for ordering the lapel devices to civilians who earned the award.

c. Naval reservists who receive unit awards as civilians, are not eligible to wear the ribbon bars on their naval uniforms.

d. Students are not eligible.

PRISONER OF WAR MEDAL – PW

a. Authorization. 10 U.S.C. 1128

b. Eligibility Requirements. Awarded to any person who, while serving in any capacity with the Armed Forces of the United States, was taken prisoner and held captive after 5 April 1917.

(1) Civilians and Foreign Nationals. The Prisoner of War Medal will be issued only to U.S. and foreign civilians who have received credit for U.S. military service as determined by the Department of Defense Civilian/Military Service Review Board and Advisory Panel (DoD Directive 1000.20 of 11 September 1989 (NOTAL)). The period of creditable military service must include the period of captivity from date of capture through date of release.

(2) Missing in Action (MIA). The Prisoner of War Medal will only be issued to the legal next of kin of military personnel or civilians who have received credit for U.S. military service and whose status as prisoners of war has been officially confirmed and recognized as such by the Military Departments and DoD. The next of kin of persons listed as missing, but for whom there is no evidence of having been a prisoner of war, will not be issued the medal. Return of remains, in and of itself, does not constitute evidence of prisoner of war status. The next of kin of prisoners who die in captivity may be issued the medal regardless of the length of the period of captivity.

(3) Hostages, Detainees and Internees. The medal will be issued only to those taken prisoner by an enemy during armed conflict. For the purpose of this medal, armed conflicts are defined as World Wars I and II, Korean Conflict, Vietnam Conflict and Operation DESERT STORM. Hostages of terrorists and persons detained by governments with which the United States is not actively engaged in armed conflict are not eligible for the medal.

c. Character of Service. Any person convicted by a U.S. military tribunal of misconduct or a criminal charge or whose discharge is less than honorable based upon actions while a prisoner of war is ineligible for the medal. Furthermore, prisoners of war whose conduct was not in accord with the Code of Conduct and whose actions are documented by U.S. military records are ineligible for the medal. Resolution of questionable cases will be the responsibility of SECNAV.

d. Subsequent Awards. No more than one POW Medal shall be awarded. For subsequent acts justifying award of the medal, 3/16 inch bronze stars shall be awarded and worn on the suspension and service ribbon of the medal. A period of captivity terminates upon return to U.S. military control. Escapees who do not return to U.S. military control and are subsequently recaptured by an enemy do not begin a new period of captivity for the purpose of a subsequent award of the medal.

e. Posthumous Award. The POW Medal may be awarded posthumously.

GOOD CONDUCT MEDAL – GC

(1) Authorization. The MCGCM was established by Special Order No. 49 of 20 July 1896, to recognize good behavior and faithful service in the Marine Corps. The CMC has review authority over the MCGCM and designates specific Marine Corps criteria for the award.

(2) Eligibility Requirements

(a) Service

1. Any 3 years of continuous active service, regardless of expiration or extension of enlistments and any previous or subsequent disciplinary action except as indicated in subparagraph (b) for enlisted personnel, Regular or Reserve, including service in temporary warrant or temporary commissioned status, provided such temporary officer reverts to enlisted status. Also, if reenlisted within a period of 90 days from date of discharge, it will not be construed as an interruption of continuous service but the period between discharge and reenlistment will not be counted.

2. Provided the individual is otherwise qualified, a MCGCM shall be authorized for any 3 years enlisted service consisting of a combination of periods of active service in a war, national emergency or armed hostilities in which the United States is engaged. When the first period of such service terminated prior to 10 December 1945, a total of 4 years enlisted service is required.

3. For first award only, the MCGCM may be awarded, provided conduct requirements are met, to the next of kin in those cases where service member is killed in

combat action against an opposing armed force, or dies as a direct result of wounds received in combat action against an opposing armed force, or dies in the line of duty where such death was directly related to actions against the enemy. In addition, for the first award only, the MCGCM is authorized for individuals who are separated from the naval service for physical disability as a result of wounds incurred in combat action against an opposing armed force, or in the line of duty where such wounds resulted directly from action against the enemy, provided conduct requirements are met. For first award only, next of kin of Prisoners of War also would be eligible to receive the MCGCM if the service member's demise occurs while in a POW status, provided it has been determined that conduct while in POW status was acceptable.

NOTE. In establishing eligibility for MCGCMs under 2b(2)(a)2, service performed during World War II, Korea and Vietnam will not be creditable unless entry or reentry to active service occurred during the periods from 8 September 1939 to 31 December 1946 inclusive; 27 June 1950 to 27 July 1954 inclusive; and 3 July 1965 to 30 September 1975 inclusive.

(b) Conduct

1. The MCGCM shall be earned for otherwise qualifying service involving no convictions by courts-martial, or nonjudicial punishment (NJP) under the Uniform Code of Military Justice, Article 15, and no lost time by reason of sickness misconduct or injury-misconduct. Prior to 27 April 1990, not more than 1 NJP was allowed.

2. When an NJP or a courts-martial voids creditability of service, a new good conduct period shall commence effective on the date of approval of the NJP or on the date of the convening authority's action on the courts-martial, except when the offense occurred within the 3-year period and the date of approval of the NJP or of the convening authority's action is after the expiration of the 3-year period; under these circumstances, the date of the offense shall be the commencement date for the new period. Offenses committed in a previous period will not be considered when determining eligibility during the current 3-year period.

3. When sentenced to confinement as a result of conviction by any courts-martial, a new period shall begin with the date of restoration to duty even though in a probationary status. The date of approval by the convening authority on all courts-martial not involving confinement shall be the new commencement date (see also Individual Records Administration Manual (IRAM), Para. 4014, MCO P1070.12H (NOTAL)).

4. In case of time lost due to sickness-misconduct or injury-misconduct, the date of return to duty shall be the new commencement date for MCGCM.

5. Where the foregoing requirements have been met, but it is evident that the individual is not deserving of this award due to a repeated record of valid letters of indebtedness, conviction by civil court for major offense(s) or other acts not in keeping with the high moral standards of the Marines, the commanding officer will make recommendations to CMC(MHM) stating the reasons.

(3) Certificates and Attachments

(a) A Good Conduct Award Certificate (NAVMC-71) will be completed by the commanding officer at the time entitlement is confirmed for presentation to the member concerned.

(b) A 3/16-inch bronze star will be worn on the suspension ribbon and ribbon bar to denote subsequent awards.

SELECTED MARINE CORPS RESERVE MEDAL – RM

a. Authorization. The Selected Marine Corps Reserve Medal was established by a SECNAV directive of 19 February 1939.

b. Eligibility Requirements. Awarded to members of the Selected Marine Corps Reserve (SMCR) who, subsequent to 1 July 1925 fulfilled certain designated service requirements within any 4-year period of service in the Organized Marine Corps Reserve. The following are specific requirements of eligibility for this medal:

(1) Attendance with a SMCR unit to include duty in an Individual Mobilization Augmentee (IMA) billet in Training Category A at four consecutive annual field training

periods. A period of active duty for training which was authorized to be performed in lieu of a regular annual field training period will fulfill this requirement.

(2) Effective 24 April 1961, attendance with an SMCR unit, to include duty in an IMA billet in Training Category A, of 90 percent of all scheduled drills each year for 4 consecutive years. Eligibility for the medal prior to that date is based on 80 percent attendance of all scheduled drills. (Appropriate duty or equivalent instruction-or-duty may be credited in lieu of drills.)

(3) In the case of officers and noncommissioned officers (sergeant or above), it is the responsibility of the commanding officer (or the Commander, Marine Corps Reserve Support Command (MCRSC) in the case of IMA Category A) to determine that the individual's service and performance of duty warrant the award. Enlisted personnel in grade corporal and below must have obtained for the first 4-year period, a combined average of conduct and proficiency markings of 4.0 or above. For subsequent 4-year periods, enlisted personnel must have obtained a combined average of conduct and proficiency markings of 4.5 or above. When it is evident that the individual who otherwise fulfills the eligibility criteria is not deserving of this award because of a repeated record of valid indebtedness or other acts which are not in keeping with the high moral standards required of all Marines, commanding officers (or the Commander of MCRSC in the case of IMA Category A) will make appropriate recommendations to CMC (MHM) stating the reasons.

(4) SMCR members, including IMA Category A, when called to active duty in time of war or national emergency may be credited while on active duty with the annual field training and required drill attendance when they have served not less than 1 month on active duty during each qualification year. Such active service may be credited only for the purpose of qualification for the medal or bronze star toward which the reservist is working at the time of mobilization. When the reservist's 4-year period is completed, active duty subsequently performed may not be credited toward the issuance of a medal or star. If the period of active duty is of such duration that the reservist is ordered to inactive status prior to completion of the reservist's 4-year period, the time spent on active duty may be credited toward the award of medal or star, but credit for active duty will not be allowed for any 4-year period which began with the reservist on active duty. Once a medal or star is earned after mobilization, the reservist must return to drill and training status in the SMCR (including IMA category "A") before a new qualification period begins.

(5) When a member of the SMCR is unable to attend drills due to absence from the place of drill, or for causes beyond his/her control, exclusive of sickness, the reservist should request a leave of absence for such period, in order that the absence from the regular drill period will not count against the record of attendance for eligibility for the Selected Marine Corps Reserve Medal.

(6) Retroactive to 12 January 1961, the medal will also be awarded to those officers prohibited by the rotation system, due to the lack of billets, from serving in the SMCR (including service as an IMA category A) for a 4-year period, provided they have met the following criteria: Completed any continuous 5 anniversary years of satisfactory Federal service in the Marine Corps Reserve (including IMA Training Categories A, B, C, and D) as defined by regulations, which includes a minimum of 2 consecutive years of satisfactory participation as a member of an SMCR unit, or as an IMA Category A, during which attendance at drills and periods of annual field training meets the requirements cited in paragraphs 4b(1) through 4b(3).

(7) Any period of qualifying service beginning with SMCR membership interrupted by duty with the Active Reserve (AR) Programs shall not be considered a break in the said period of 4 consecutive years for eligibility. Furthermore, any such period of active duty may be credited with the annual field training and required drill attendance for the purpose of completing qualification only for the medal or bronze star toward which the reservist was working at the time of active duty in the AR Program.

(8) When enlisted Marine Corps reservists are assigned to active duty in the AR Programs, they must elect whether to continue their eligibility for the SMCRM for which they have accumulated qualifying service or commence qualifying service for the Good Conduct Medal. Officers may continue to earn qualifying service toward SMCRM. Under no circumstances will a reservist start a commencement date for the SMCRM while on the AR Program. MCO 1070.12H (IRAM) (NOTAL) contains administrative instructions.

c. Certificate and Attachments

(1) A Selected Marine Corps Reserve Certificate (MAVMC 10592) will be completed by the commanding officer at the time entitlement is confirmed for presentation to the member concerned.

(2) A bronze star 3/16-inch in diameter is worn on the suspension ribbon and ribbon bar to denote subsequent awards.

FOR EXAMPLE, A MARINE SECURITY GUARD UNIT ON EMBASSY DUTY WITHIN THE AOE, MUST ALSO ESTABLISH THAT IT MEETS THE CRITERIA TO QUALIFY FOR THIS AWARD OUTLINED IN THIS PARAGRAPH. MARINES MUST BE ASSIGNED, ATTACHED OR MOBILIZED TO A UNIT PARTICIPATING IN OPERATION ENDURING FREEDOM OR IRAQI FREEDOM FOR 30 CONSECUTIVE DAYS OR 60

NONCONSECUTIVE DAYS WITHIN THE DESIGNATED AOE, OR WHILE IN THE DESIGNATED AOE, MEET ONE OF THE FOLLOWING CRITERIA:

5. VERIFICATION: UNIT COMMANDERS WILL IDENTIFY ELIGIBLE MARINES FROM THEIR SERVICE RECORD/OQR AND/OR ORDERS AND WILL RUN THE ENTRY ON UD WITH CODE "WE." UNIT COMMANDERS THAT CANNOT RESOLVE ELIGIBILITY FOR A MARINE, SHOULD SEEK GUIDANCE FROM THE RESPECTIVE COMMAND FROM WHICH THE MARINE CLAIMED ELIGIBILITY.

6. THE GWOTEM MAY BE AWARDED POSTHUMOUSLY.

7. MARINES MAY RECEIVE BOTH THE GWOTEM AND THE GWOTSM IF THEY MEET THE REQUIREMENTS OF BOTH AWARDS, HOWEVER, THE QUALIFYING PERIOD USED TO ESTABLISH ELIGIBILITY FOR ONE CANNOT BE USED TO JUSTIFY ELIGIBILITY FOR THE OTHER. THE GWOTEM IS A SERVICE AWARD. LIKE THE ARMED FORCES EXPEDITIONARY MEDAL (AFEM) OR THE ARMED FORCES SERVICE MEDAL, NOT ALL PERSONNEL IN AN APPROVED UNIT MAY BE ELIGIBLE -- TIMING, PLACE AND ACTION ARE REQUIRED.

8. DEVICES: ONLY ONE AWARD OF THIS MEDAL MAY BE AUTHORIZED FOR ANY INDIVIDUAL, THEREFORE, NO DEVICES (SERVICE STARS) ARE AUTHORIZED.

A. BATTLE STARS MAY BE APPLICABLE FOR PERSONNEL WHO WERE ENGAGED IN ACTUAL COMBAT AGAINST THE ENEMY UNDER CIRCUMSTANCES INVOLVING GRAVE DANGER OF DEATH OR SERIOUS BODILY INJURY FROM ENEMY ACTION. ONLY A COMBATANT COMMANDER CAN INITIATE A REQUEST FOR A BATTLE STAR. REQUESTS FOR BATTLE STARS WILL CONTAIN THE SPECIFIC UNIT(S) OR INDIVIDUAL(S) ENGAGED IN ACTUAL COMBAT, THE DURATION FOR WHICH ACTUAL COMBAT WAS SUSTAINED, AND A DETAILED DESCRIPTION OF THE ACTIONS AGAINST THE ENEMY. APPROVAL AUTHORITY FOR BATTLE STARS IS THE CJCS.

B. MARINE FORCE COMMANDERS MAY IDENTIFY UNITS OR PERSONNEL THAT MEET THE CRITERIA FOR THE BATTLE STARS AND FORWARD A REQUEST TO THE COMBATANT COMMANDER FOR SUBMISSION TO THE CJCS FOR DETERMINATION. IF APPROVED, MARINE FORCE COMMANDERS SHALL PROVIDE THE LISTS OF UNITS OR PERSONNEL APPROVED TO THE CMC (MMMA) FOR DISTRIBUTION AND HISTORICAL PURPOSES. ONCE UNITS OR PERSONNEL ARE APPROVED TO RECEIVE BATTLE STARS, UNIT COMMANDERS MUST ENSURE PERSONNEL ARE QUALIFIED FOR THE DEVICE.

9. PRECEDENCE: THE GWOTEM WILL BE POSITIONED ABOVE THE GWOTSM IN PRECEDENCE AND BOTH ARE BEFORE THE ARMED FORCES SERVICE MEDAL.

10. THE GWOTEM MAY BE PROCURED FROM THE DEFENSE LOGISTIC AGENCY, DEFENSE SUPPLY CENTER PHILADELPHIA VIA THE NORMAL SUPPLY CHANNELS. THE NSN FOR THE GWOTEM IS 8455-01-506-7144. COMMANDERS ARE AUTHORIZED TO ISSUE THE GWOTEM TO PERSONNEL ASSIGNED TO THEIR COMMAND WHO HAVE MET THE ELIGIBILITY CRITERIA.

MARINES MUST MEET THE CRITERIA OUTLINED IN THIS MARADMIN, AND BE APPROVED FOR THE AWARD. 6. MARINE CORPS ELIGIBILITY AND AUTHORIZATION.

A. DUE TO THE INDEFINITE NATURE OF TERRORISM AND ITS GLOBAL EXPANSE, THERE IS NO PRECISE MEASURE OR STANDARD OF PARTICIPATION OR SUPPORT DIRECTLY OR INDIRECTLY THAT QUALIFIES A UNIT OR INDIVIDUAL FOR THIS AWARD. THEREFORE, PER PARAGRAPH 4(E), THE COMMANDANT OF THE MARINE CORPS (CMC) APPROVES THE GWOTSM FOR THE FOLLOWING COMMANDS AND ORGANIZATIONS: HQMC, ALL OPERATING FORCES, SUPPORTING ESTABLISHMENTS, AND EXTERNAL ELEMENTS THAT MEET THE ELIGIBILITY CRITERIA OUTLINED IN PARAGRAPH 3.

A. ONLY A COMBATANT COMMANDER CAN INITIATE A REQUEST FOR A BATTLE STAR.

B. APPROVAL AUTHORITY FOR BATTLE STARS IS THE CJCS. MARINE FORCE COMMANDERS MAY IDENTIFY UNITS OR PERSONNEL THAT MEET THE CRITERIA FOR THE BATTLE STARS AND FORWARD A REQUEST TO THE COMBATANT COMMANDER FOR SUBMISSION TO THE CJCS FOR DETERMINATION.

11. PRECEDENCE: THE GWOTSM MEDAL WILL BE POSITIONED AFTER THE GWOTEM IN PRECEDENCE AND BEFORE THE KOREAN DEFENSE SERVICE MEDAL.

ARMED FORCES SERVICE MEDAL – FS

a. Authorization. E.O. 12985 of 11 January 1996.

b. Eligibility Requirements

(1) Participate, or have participated, as members of United States military units, in a United States military operation that is deemed to be significant activity; and

(2) Encounter no foreign armed opposition or imminent threat of hostile action.

c. Specific. Service members must be members of a unit participating for the delineated time period in the operation within the designated area of eligibility, or meet one or more of the following criteria:

(1) Be engaged in direct support for 30 consecutive days in the area of eligibility (or for the full period when an operation is of less than 30 days duration) or for 60 nonconsecutive days provided this support involves entering the area of eligibility.

(2) Participate as a regularly assigned crew member of an aircraft flying into, out of, within, or over the area of eligibility in support of the operation.

d. Qualifying Operations

(1) The AFSM may be authorized for significant United States military activities for which no other United States campaign or service medal is appropriate, such as:

(a) Peacekeeping operations.

(b) Prolonged humanitarian operations.

(2) The AFSM may be awarded for United States military operations in direct support of the United Nations (UN) or the North Atlantic Treaty Organization (NATO), and for operations of assistance to friendly foreign nations.

e. Guidelines

(1) The AFSM provides recognition to participants who deploy to the designated area of eligibility for the qualifying operation. Outstanding or meritorious performance of nondeployed or remotely located support units and individuals is not justification for award of the AFSM. Such performance may be recognized by appropriate unit and/or individual decorations.

(2) Because the AFSM may be awarded for a prolonged humanitarian operation, distinction between the AFSM and Humanitarian Service Medal (HSM) must be maintained.

(a) The HSM is an individual award, presented to individuals who are physically present at the site of immediate relief and who directly contribute to and influence the humanitarian action. The HSM is only awarded for service during the identified period of immediate relief; eligibility for the HSM terminates once (if) the humanitarian action evolves into an established ongoing operation beyond the initial emergency condition.

(b) The AFSM is a theater award, authorized for presentation to all participants who meet eligibility requirements established for a designated operation.

(c) For operations in which all deployed participants are awarded the HSM and for which the period of immediate relief coincides with the duration of significant deployed operations, award of the AFSM is not authorized.

(d) Humanitarian operations for which some (or all) participants are awarded the HSM, which continued beyond the period of immediate relief.

f. Definitions

(1) Significant activity is defined as a United States military operation considered to be of such a high degree of scope, impact, and international significance as to warrant the permanent commemoration and recognition afforded by award of a campaign or service medal.

(2) Area of eligibility is defined as follows:

(a) The foreign territory on which troops have actually landed or are present and specifically deployed for the operation.

(b) Adjacent water areas in which ships are operating, patrolling, or providing direct support of the operation.

(c) The air space above and adjacent to the area in which operations are being conducted.

(3) Direct support is defined as services being supplied to participating forces in the area of eligibility by ground unit, ships, and aircraft provided it involves actually entering the designated area of eligibility. This includes units, ships, and aircraft providing logistic, patrol, guard, reconnaissance, or other military support within the designated area of eligibility.

g. Limitations on Awarding Medals

(1) AFSM shall be awarded only for operations for which no other United States campaign or service medal is approved.

(2) For operations in which personnel of only one Military Department participate, the AFSM shall be awarded only if there is no other suitable award available to that Department.

(3) The military service of the Service member on which qualification for the award of the AFSM is based shall have been honorable.

(4) Award of the AFSM is not authorized for participation in national or international exercises.

(5) The AFSM shall not be awarded for NATO or UN operations not involving significant, concurrent United States military support operations.

h. Approval and Designation of Area of Eligibility. The JCS shall designate United States military operations subsequent to 1 June 1992 that qualify for the AFSM.

i. Subsequent Awards. No more than one medal shall be awarded to any one Service member. Second and subsequent awards will be denoted by 3/16-inch bronze service stars. A 3/16-inch silver star will be worn lieu of 5 bronze stars.

j. Posthumous Awards. The AFSM may be awarded posthumously and, when so awarded, may be presented to such representative of the deceased as may be deemed appropriate by the Secretary concerned.

k. Operations. The following operations have been designated by the JCS as qualifying for the AFSM:

HUMANITARIAN SERVICE MEDAL – HS

a. Authorization. Established by E.O. 11965 of 19 January 1977.

b. Eligibility Requirements

(1) Awarded to members of the Armed Forces of the United States and their Reserve components who, subsequent to 1 April 1975, distinguished themselves as individuals or as members of U.S. military units or ships by meritorious, direct, nonroutine participation in a significant military act or operation of a humanitarian nature. Direct participation is defined as being physically present at the designated location, having directly contributed to and influenced the action. Designated location is the immediate site(s) of the humanitarian operations as defined by the Presidential request for assistance in the U.S. or the Department of State for overseas areas. When appropriate, the local commander in the recommendation may propose specific clarification of designated boundaries based on the intent of the presidential or Department of State request. Specifically excluded from eligibility are service members or elements remaining at geographically separated military locations or who were assigned to the location but did not make a direct contribution to nor influenced the action. Award of the HSM does not preclude or conflict with other medals or ribbons awarded on the basis of unit achievement, or of individual valor, achievement or meritorious service except the AFSM as covered in the previous article. No service member shall be entitled to more than one award of the HSM for participation in the same military act or operation of a humanitarian nature.

(2) The following types of military acts or operations may qualify for award of the HSM:

(a) Significant assistance in the event of national or international disasters, natural or man-made, such as, but not limited to, earthquakes, floods, hurricanes, typhoons, or conflagrations.

(b) Relief to a starvation area.

(c) Evacuation of personnel from an area threatened by a hostile force.

(d) Support or resettlement of refugees or evacuees.

(e) Other significant military activities, directly related to humanitarian service as designated in Military Service regulations. These must be above and beyond routine actions. For example, normal Search and Rescue (SAR) operations conducted by specially trained SAR units would not be eligible for HSM consideration. Similarly, in accordance with the laws and traditions of the seas, the rescue of stricken vessels by naval units would not normally be eligible.

(f) Acts or operations of a similar nature, as determined by the award approval authority.

(3) Guidelines. Services rendered in the act or operation being considered must meet the following criteria:

(a) Be above and beyond normal duties, and of major significance.

(b) Provide immediate relief, relieve human suffering, and should save lives (property may be a factor).

(c) Must have affected the outcome of the situation (non-action would have produced definite consequences).

(d) Must have specific dates and must be restricted to the period of "immediate relief." Periods beyond immediate relief are considered established ongoing operations beyond the initial emergency conditions and these periods are no longer eligible for the HSM, but rather are considered for the AFSM.

(e) Must have evidence that the emergency assistance was:

1. Requested by the President of the United States for assistance within the United States (such as Presidential Emergency Declaration or established contingency plans issued under Presidential authority).

2. Requested by the Department of State for overseas areas.

(4) This medal may not be awarded for services rendered in domestic disturbances involving law enforcement, equal rights demonstrations, or protection of properties.

(5) This medal shall not be awarded for those military acts or operations which are of a routine, day-to-day nature. Specifically, such routine operations as helicopter or destroyer plane guard duty, routine Sea Air Rescue (SAR) missions and emergency transportation of civilian or military medical patients would not qualify. Routine rescues at sea would not qualify unless there was extreme danger to those being rescued and those performing the rescue. Generally speaking, the act or operation must be a direct humanitarian performance by the individuals or unit, at the scene. In those cases of doubt as to whether or not an act or operation qualifies, submission to SECNAV via the chain of command is recommended.

(6) For participation in subsequent operations stars will be worn as prescribed in section 122.1.

(7) The medal may be awarded posthumously.

c. Submission of Recommendation. Recommendations for this award will be submitted to SECNAV via the unit's chain of command. Recommendations must be entered administratively into command channels within 2 years of the military act or operation to be recognized. Effective 14 June 1993, SECNAV is delegated authority to approve/disapprove recommendations for the HSM.

d. Preparation of Recommendation

(1) A written justification fully explaining and attesting to the humanitarian aspects of the services rendered by service members in the act or operation being recommended. The HSM is an individual award. As such, only those individuals who meet the specific requirements and guidelines above, shall be eligible for the award. The specific eligibility requirements must be addressed.

(2) A listing of ships or units that participated directly in the act or operation, including dates of involvement and locations. This is to facilitate the processing and documentation of approved awards only and does not imply unitwide approval of the HSM.

(3) An alphabetical listing of service members detailing full name, rank/rate, social security number, branch of Service, and permanent unit at the time of the act or operation. This listing shall include only those service members who meet the eligibility criteria and guidelines above.

(4) Concurrence by the Military Departments concerned when multi-service participation is involved. The originating activity shall, prior to submission of the recommendation to the approving authority, obtain the concurrence of the Departments concerned, to include the Commandant, U.S. Coast Guard when service members of the U.S. Coast Guard are involved. Such concurrence shall include verification of their service member's participation and the specific recommendations for approval or disapproval.

(5) Forwarding endorsements that make specific recommendations for approval or disapproval.

(6) Endorsement of the Commander in Chief having authority and/or responsibility for the affected area of responsibility outside the Continental United States.

(7) Documentation of the Presidential or the Department of State request for assistance.

MILITARY OUTSTANDING VOLUNTEER SERVICE MEDAL – OV

a. Authorization. Established by E.O. 12830 of 9 January 1993.

b. Eligibility Requirements

(1) General. The MOVSM may be awarded to members of the Armed Forces of the United States and their Reserve Components who, after December 31, 1992, perform outstanding volunteer community service of a sustained, direct and consequential nature.

(2) Specific. To be eligible, an individual's service must:

(a) be to the civilian community, to include the military family community;

(b) be significant in nature and produce tangible results;

(c) reflect favorably on the Military Service and the Department of Defense; and

(d) be of a sustained and direct nature.

c. Guidelines

(1) While there is no specific time period to qualify for the MOVSM (for example 500 hours of community service within 24 calendar months), approval authorities shall ensure the service to be honored merits the special recognition afforded by the medal. (Navy views the sustained time period to be 3 years.) The MOVSM is intended to recognize exceptional community support over time, not a single act or achievement. Further, it is intended to honor direct support of community activities. For the purpose of this award, attending membership meetings or social events of a community service group is not considered qualifying service, while manning a community crisis action telephone line for a sustained period of time is considered qualifying service. The overall level of volunteer participation and impact of an individual's community service is key to determining whether award of the MOVSM is justified.

(2) The MOVSM recognizes service provided to a community over time, therefore multiple awards of the MOVSM during a single tour of duty are not authorized. However, a sustained

record of significant community service performed during successive tours may be considered by approval authorities when adjudicating recommendations for award of the MOVSM.

(3) Service recognized by award of the MOVSM shall be of a voluntary nature, not detailed or tasked, nor performed as part of a military mission (for example: a unit project).

(4) Although not all encompassing, Appendix A contains samples of organizations which would qualify.

(5) To be awarded a MOVSM service members must be recommended by anyone senior to them and submitted via their commanding officer using OPNAV 1650/3. The commanding officer shall certify that the eligibility requirements above have been met and that the service was honorable throughout the award period.

d. Awarding Authority. Authority to award the MOVSM is delegated to those officers who have authority to award the Navy and Marine Corps Achievement Medal or Joint Service Achievement Medal and above. The MOVSM may be awarded posthumously. For Navy personnel a letter of authorization will be issued by the awarding authority to include the period recognized. Appendix A contains a sample format. For Navy personnel, copies of the approved OPNAV 1650/3 will be forwarded to the BUPERS (PERS-313C); for Marine Corps personnel copies will be forwarded to CMC (MMMA).

e. Precedent and Subsequent Award. The MOVSM will be worn immediately after the Humanitarian Service Medal. Subsequent awards will be denoted by 3/16-inch bronze stars. A 3/16-inch silver star will be worn in lieu of the sixth award. No citation or certificate will be issued.

SEA SERVICE DEPLOYMENT RIBBON – SD

a. Authorization. SECNAVINST 1650.35 of 26 January 1981.

b. Eligibility Requirements

(1) General. Awarded to officer and enlisted personnel of the United States Navy and Marine Corps. Each service has distinct criteria that delineates eligibility; Navy personnel assigned to Marine Corps units follow Marine Corps policy, and vice versa.

(2) Specific

(a) For Navy and Marine Corps personnel assigned to U.S. (including Hawaii and Alaska) homeported ships/deploying units or Fleet Marine Force (FMF) commands, 12-months accumulated sea duty or duty with FMF which includes at least one 90-consecutive day deployment. A standard 14-day waiver of the 12-month accumulated sea duty/duty with FMF is authorized as long as the 90-consecutive day deployment requirement is met. The 12-month accumulated sea duty requirement is waived for those Navy and Marine personnel who were called to sea duty or deployed for Operations DESERT SHIELD or DESERT STORM (during the period 2 Aug 90 - 31 Dec 91) to qualify for this initial award. This waiver does not affect second and subsequent awards of this ribbon. Second and subsequent awards will be earned for each additional 12-months of qualifying service in which a 90-consecutive day deployment occurs.

(b) For Navy and Marine Corps personnel assigned to overseas homeported ships/deploying units or FMF commands, 12-months accumulated sea duty or duty with the FMF. For those in this category, the 90-day deployment is not required. Second and subsequent awards will be earned for each additional 12-month period of qualifying service. In addition, for Navy units only, the SSDR does not conflict with the Overseas Service Ribbon after 01 October 1999.

(c) Changes to deployment patterns to meet operational commitments within fiscal constraints have resulted in the reduction of some service force ships deployment lengths to less than 90 days with an increase in the frequency of deployments. Consequently and effective 18 October 1991, the awarding of the Sea Service Deployment Ribbon to members of units that complete two deployments of at least 80 days each within a given 12-month period is authorized. This change is not retroactive.

(d) The Sea Service Deployment Ribbon will be awarded retroactive to 15 August 1974. Only one award may be earned for the period 15 August 1974 to 1 January 1979 regardless of the number of years of sea duty or number of deployments made.

(e) No subsequent changes to the SDDR requirements are retroactive to meet individual eligibility.

c. Definitions

(1) Sea Duty. Duty performed in commissioned vessels or units which operate away from their homeport/homebase for extended periods.

(2) Deployable Units. A ship (USN, USNS), aircraft squadron, detachment, battalion or other unit which operates away from its assigned homeport/homebase for a period of at least 90 consecutive days.

(3) Deployment. Either a period of at least 90 consecutive days with a deployed unit or two deployments of at least 80 days each with a given 12-month period. No waivers of this requirement will be made.

d. Examples of Qualifying and Disqualifying Service

(1) A person who serves in TAD status with a U.S. homeported ship/deploying unit or FMF commands may qualify upon accumulation of 12-months sea duty or duty with FMF commands. Such duty must include at least one 90-consecutive day deployment.

(2) A person who serves in TAD status with an overseas homeported ship/deploying unit or FMF command may qualify upon accumulation of 12-months duty with such ships or units.

(3) A person who first reported to a ship homeported in Norfolk on 1 July 1978, completed a deployment on 1 December 1978 will establish eligibility on 1 July 1979.

(4) A person who served on a ship or deploying unit homeported overseas from 1 January 1975 to 1 January 1979 will only be eligible for one award.

(5) A person who served on a ship or deployed unit homeported overseas from 30 June 1977 to 30 June 1980 will be eligible for two awards, i.e., the initial award for the period ending 1 January 1979 and a second award for service ending 1 January 1980.

(6) A person who is attached to a U.S. homebased Marine unit which goes on one rotational deployment for 6 months and remains with that unit for 2 years will rate only one award because of the single deployment.

(7) A person who is transferred to the 3RD Marine Division, completes first 1-year tour and extends for 12 months will be eligible for two awards -- one for the first tour and one for the 12-month extension.

(8) A person who is attached to a U.S. homeported ship for 1 year subsequent to 1 January 1979 but does not deploy for 90 consecutive days is not eligible. The same person is then given Permanent Change of Station (PCS) orders to another U.S. homeported ship and immediately goes on a deployment. This person will be eligible upon the completion of the 90-day deployment.

(9) A person having served 12 months on a ship homeported in Newport, Rhode Island during which time the ship deployed for 30 days and immediately proceeded to Portsmouth, Virginia for an overhaul of 185 days duration and then returns to Newport does not qualify.

(10) A person assigned on PCS orders to the Naval Air Station, Guam serving on shore duty that counts as sea duty will not be eligible for the ribbon regardless of the length of time assigned. The Overseas Service Ribbon is applicable.

(11) A person who is assigned to Marine Corps Base (MCB), Camp Lejeune, goes TAD to Marine Division for 5 months, completes a 90-consecutive day deployment and returns to MCB Camp Lejeune upon completion of the deployment will not be eligible because 1 year was not spent with a FMF unit. Upon completion of an additional 7 months FMF duty, the person will qualify for the award.

(12) A person who is assigned to 2ND Marine Division for a 3-year tour of duty but never completes a 90-consecutive day deployment will not be eligible.

(13) A Marine who is assigned to a Marine Detachment aboard a U.S. homeported ship which does not make a 90-consecutive day deployment will not be eligible.

(14) A person who is assigned to MCB Camp Butler, Okinawa will not be eligible since it is not an FMF unit.

(15) A Marine who is attached to a Marine Detachment aboard a ship homeported overseas will be eligible upon completion of 12-months sea duty.

(16) A person assigned to a 36-months accompanied tour overseas with the FMF will be eligible for three awards.

(17) A Marine whose 12 months overseas FMF tour is terminated early but who receives full credit for his/her tour in under Marine Corps Order P1070.12H (NOTAL) is eligible for the award.

(18) A person assigned to a ship that has made two deployments of 80 days or more with any 12-month period after 18 October 1991 is eligible for the award.

e. Awarding Authority. Commanding officers determine eligibility from service records, affidavits or upon completion of eligibility requirements at current command and make appropriate service record entries for enlisted personnel and issue letters of eligibility for officer personnel. No citation or certificate will be issued.
