This was scheduled to be a combined operation, with three two-plane strikes cooperating with serveral PT bosts, during the army's landing south of Hollo, PARAY. However, our first flight was not given a single target. The army's landing was upopposed.

Second flight attempted to contact LANCER, guerrilla fighter director on CEBU, but could not contact him.

Same for third flight. Second and third flights returned bombs to bese.

## COMPIDENTIAL

XIII. MATERIAL DATA. (Comment freely on performance or suitability, following check list at left.

Use additional sheets if necessary).
